1.       I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Uintah County, Utah. I have lived in Uintah County 75 years.

2.       I have traveled and am familiar with a road in Uintah County known as the The Lane Road. I am also familiar with the land the road traverses. When I first used and observed the road in 1970, it followed the same route as in 2006, when I last observed it. Attached is a Uintah County map showing The Lane Road. 4.       I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as 1970 and continuing through 1976 to the present. During this time period I have observed travel on the road by pickups. During this time period, the road has been used daily.

5.       During the time period from 1970 to the present, I have used the road myself for fishing, hunting and maintaining the road.

6. During the time period described in the previous paragraph, I observed vehicles using the road at various times for livestock operations, logging, hunting, fishing, government access, traveling in and through the area and recreation.

7. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased, since at least as early as the 1960s and continuing through 1976 to the present, for the uses described in the previous paragraphs.

8. I observed the following evidence of construction and maintenance performed on the road prior to 1976: I personally graded and maintained the road during the period I worked for Uintah County since 1970.
